CHAHEL
The E-Learning

Chahel, an innovative e-learning mobile application designed to elevate the student experience, now available on both Android and iOS platforms, along with a dedicated admin web app. Chahel brings subjects to life with dynamic video lessons, making learning more interactive and engaging. It provides easy access to comprehensive PDF notes for convenient studying and offers interactive quiz modules to test knowledge retention effectively. Ensuring seamless accessibility, the app is built with the Flutter framework, allowing cross-platform compatibility and smooth performance. The efficient Provider state management solution further enhances the user experience by maintaining responsiveness and reliability. With Chahel, students have a comprehensive learning companion that combines the power of technology with educational needs, transforming the way learning is approached and managed.

The screenshot shows a mobile application interface for 'CHAHEL e-learning'. The top navigation bar includes a user icon, the 'CHAHEL' logo, and a search bar. The left sidebar lists 'Users', 'Syllabus' (which is the selected tab), 'Plans', 'Notification', and 'Add Banner'. The main content area displays a 'Section Name' header and three questions, each with four answer options (A, B, C, D) and a radio button for selection. The questions are as follows:

- 1- Question**
Please add your Question that you want to ask the students for the exam?
1- Ans Options (Check On The Right Ans.)
 - A) Type Your Answer
 - B) Type Your Answer
 - C) Type Your Answer**
 - D) Type Your Answer
- 2- Question**
Please add your Question that you want to ask the students for the exam?
1- Ans Options (Check On The Right Ans.)
 - A) Type Your Answer
 - B) Type Your Answer
 - C) Type Your Answer**
 - D) Type Your Answer
- 3- Question**
Please add your Question that you want to ask the students for the exam?
1- Ans Options (Check On The Right Ans.)
 - A) Type Your Answer
 - B) Type Your Answer
 - C) Type Your Answer**
 - D) Type Your Answer

A 'Add New' button is located at the bottom of the list of questions.

DELL

The image shows a screenshot of a web-based Learning Management System (LMS) interface. On the left, a vertical sidebar lists several menu items: 'Users', 'Syllabus' (which is currently selected and highlighted in blue), 'Plans', 'Notification', 'Add Banner', and 'Payment Gateway'. The main content area is titled 'Syllabus Name' and contains a thumbnail image of a syllabus document with the title 'maths' on it. To the right of the thumbnail is a dark rectangular button with a white plus sign icon and the word 'Add' below it. At the top right of the main area is a search bar with the placeholder text 'Search Your Name...'. In the bottom center of the screen, the word 'DELL' is printed in white capital letters on a dark background.
